

Claudiu-Daniel Zapirtan

0155 618 661 93 / zapirtan.claudiu@gmail.com / Karlsruhe, 76139 DE

I'm a **digital product designer** with experience since 2010, specialized in creating user-friendly, functional, and aesthetically refined digital products. I combine clear UX thinking with a strong attention to detail to develop solutions that work equally well for users and teams.

Date of Birth: June 26, 1992 (33)

Nationality: Romanian

Marital Status: Single

Ui/UX Designer & Specialist

EsportsConstruct • Maikammer, Jul 2017 - Mar 2023

End-to-End Responsibility for Digital Products

Conceptualization, development, testing, and documentation – from the initial idea to the final release.

- User-centered approach for every application
- Industry research to develop tailored solutions
- Creation of technical documentation (e.g., in GitLab)
- From wireframes and sketches to high-fidelity prototypes
- Execution of usability and QA tests with structured reporting
- Design QA and continuous maintenance of design documentation

+ Apprenticeship: Aug 2018 - Jul 2021

After the successful and early completion of my projects, the CEO offered me the opportunity to stay with the company and participate in an internal training program to gain additional official recognition within the German education system.
